

MAPPING OUR FUTURE

Victoria Arts Scan

What is your vision
for a vibrant arts and
cultural community in our
Capital City?

How can we as a city make
this happen?

Join us for a Lecture
and Group Discussion.

The City of Victoria is mapping local arts and cultural resources to determine where opportunities and gaps may exist. The information collected will be used to identify future priorities for the City in supporting Victoria's arts and cultural community.

Join **Joanne Edey-Nicoll, Assistant Director of Parks, Culture and Recreation for the City of New Westminster**, to learn about their new Arts Strategy and its role in supporting arts and culture in this municipality.

Following the lecture, participants will break into groups to discuss how we as a community can help support future arts and cultural development in Victoria.

Registration is not required.
