The purpose of this meeting is to:

- begin to review some of the transcribed comments from the March 17th workshop
- advance work on the Parks Master Plan's principles
- further discuss neighbourhood level meetings and other forms of consultation.

1.) Review Agenda

2.) Review and discuss preliminary information from March 17th Workshop. (I'm not sure how much we will have available.)

- emerging trends?
- emerging themes?
- other observations?

3.) Review first draft of principles

- should anything be deleted?
- what should be added?

4.) Update on how to consult Children and Youth

- is steering committee able to help out with this?

5.) Update and discuss Neighbourhood Level Consultation

6.) Update on random survey - RFP for consultant.

7.) Next meeting date: April 17th

- Discuss Agenda

Thanks very much for attending.
