

What's Your Vision for Fisherman's Wharf Park?

Date: Friday, October 17, 2008

For Immediate Release

VICTORIA, BC — Each year, the City of Victoria upgrades a number of its parks. Before any work begins, park planners consult with the community to listen to their ideas and determine what they would like to see improved. Each park is unique and the City strives to meet the community's needs while working within set budgets.

The City of Victoria is planning to improve Fisherman's Wharf Park and invites the public to an open house to describe their vision for the park.

What: OPEN HOUSE – Improvements to Fisherman's Wharf Park
When: Tuesday, October 21, 2008, from 3 p.m. – 7 p.m.
Where: James Bay New Horizons, 234 Menzies Street

Registration is not required. Coffee and tea will be provided.

The public will have the opportunity to meet Parks planning staff, participate in the planning process, ask questions, and provide verbal and written input. Feedback from the open house will inform development of a plan to improve Fisherman's Wharf Park.
