

Residents Asked to Keep Drains Clear of Leaves

Date: Thursday, November 06, 2008

For Immediate Release

VICTORIA, BC — With 10-20 millimeters of rain expected today and up to 15 millimeters expected tomorrow, the City of Victoria is asking residents to keep storm grates clear of leaves to prevent back-ups and flooding.

Residents are asked to rake leaves away from catch basins and onto the boulevards.

Drain back-ups from leaf piles are preventable but common this time of year when rains increase and the leaves have just dropped. Residential leaf pick-up starts on Monday.
