

# Dry Floor Arena Programs

## H.E.L.P. Hockey Equipment Lending Program

The City of Victoria's Hockey Equipment Lending Program (H.E.L.P) outfits eligible kids 6–12 years in Mission I-Tech Hockey Equipment for one year at no cost.

Priority is given to City of Victoria residents with financial need followed by applicants who live within the Victoria Minor Hockey Association catchment area.

When necessary, staff will then help connect the child with KidSport Greater Victoria for financial assistance with registration into the Victoria Minor Hockey Association.

### 3 Easy Steps to Start Playing Ice Hockey

- 1 Fill out a H.E.L.P Application Form and drop-it off at the Crystal Pool & Fitness Centre.

## Fundraising Event Opportunity

Is your not-for-profit community group interested in holding a fund raising event at the Save-On-Foods Memorial Centre?

The City of Victoria and RG Facilities sponsor this opportunity through covering the rental cost of the facility for a 24 hr period. The event organizers are responsible for any additional facility costs related to the event such as performance bookings, staging, additional lighting and staffing.

In 2009 Community Living Victoria was successful in bringing the Canadian and American National Women's Hockey Teams to Victoria to the SOFMC to play a exhibition game to a sold out audience. Please contact **250.361.0648** for more information on this great opportunity or view the online application at [www.victoria.ca/arena](http://www.victoria.ca/arena)
