Compost Open House for Earth Day

Celebrate Earth Day at a free outdoor event and learn about organic recycling at City Parks and the benefits of backyard composting.

Come join Professor Rotter and Dr. Wiggles from the Greater Victoria Compost Education Centre to discover their Compost Science lab, Wiggling Worms, and their Worm Squirm race. Children will also be provided an heirloom vegetable seed courtesy of the LifeCycles Project Society to plant and take home. Composting information for adults as well. Participants are encouraged to bring a bag, bucket or wheelbarrow to take home some well-composted "earth" in celebration of Earth Day. Thursday, April 22, 2010, 10 a.m.-3 p.m. Beacon Hill Park Maintenance Yard (at the end of Nursery Road).

For more information contact the Parks Programmer at 250.361.0705.
