

## Community Associations in the City of Victoria<sup>1</sup>

This list shows community associations for each community in Victoria. In some cases there are multiple associations in one community (e.g., Burnside) and in others a single association covers two communities (e.g. Downtown and Harris Green).

| <b>Burnside</b>                       |                                                                      |                                                                                        |
|---------------------------------------|----------------------------------------------------------------------|----------------------------------------------------------------------------------------|
| Burnside Gorge Community Association  | 388-5251                                                             | <a href="http://www.burnside.city.victoria.bc.ca">www.burnside.city.victoria.bc.ca</a> |
| Rock Bay Ratepayers Association       | For current contact information, call the City of Victoria, 361-0224 |                                                                                        |
| <b>Downtown</b>                       |                                                                      |                                                                                        |
| Downtown Residents Association        | For current contact information call the City of Victoria, 361-0224  |                                                                                        |
| <b>Fairfield</b>                      |                                                                      |                                                                                        |
| Fairfield Community Association       | 382-4604                                                             | <a href="http://www.fairfieldcommunity.ca">www.fairfieldcommunity.ca</a>               |
