- (u) despite sub-paragraph (t), if the Downtown Victoria Business Improvement Area Service is renewed or extended beyond the term provided for under this Bylaw, and if the DVBA continues to comply with the conditions set out in this Bylaw, the DVBA may request of the Council that any unexpended portion of a DVBA grant be retained by the DVBA to use for a business promotion scheme after the expiry of this Bylaw, subject to any terms and conditions Council may impose.

Tax levy for recovery of grants

- 6**
- (1) The total amount of each DVBA grant authorized by Council under section 4 must be recovered by the City by the imposition of a tax on all taxable property, at the rate of no more than \$0.45 per \$1,000.00 of assessed value of land and improvements for taxable property that is a hotel or part of a hotel, and no more than \$0.90 per \$1,000.00 of assessed value of land and improvements for all other taxable property.
 - (2) For the purposes of subsection (1) and section 4(3), in each of the years 2015 to and including 2019, taxes in the amounts that will recover the amount of the DVBA grant, for that year must be imposed by bylaw, provided that:
 - (a) such taxes must not exceed the maximum rates established under subsection (1), and
 - (b) the rate imposed on taxable property that is a hotel or part of a hotel must be one-half (1/2) the rate imposed on all other taxable property.

- (3) The taxes imposed under a bylaw referred to in subsection (2) must be included in the City's real property tax roll for the year in which the taxes are imposed and are payable to, and must be collected by the City's collector in the same manner as other rates shown on the real property tax roll.
- (4) In the event the City is unable to collect the total taxes imposed under a bylaw referred to in subsection (2) in any year, as a result of the reduction in the assessed value of a taxable property following an assessment appeal, or due to any other eventuality that is beyond the City's control, and that results in a shortfall of tax revenue to the City in relation to a grant to the DVBA, the City may in the following year levy against the taxable properties an increased amount equal to the aforesaid shortfall.
- (5) In addition to levy under subsection (4), in the year 2019, the City may by bylaw referred to in subsection (2), levy against the taxable properties an amount estimated by the Director to be necessary to cover a likely shortfall of tax revenue to the City in relation to the DBVA grant as a result of the reduction in the assessed value of taxable property following an assessment appeal of an entry in an assessment roll in any year during the term of this Bylaw.
- (6) The Director must apply the taxes referred to in subsection (5) to cover any shortfall of tax revenue to the City in relation to a DVBA grant.

Period during which Bylaw has effect

- 7** (1) Subject to subsection (2), sections 1 to 6 come into effect on the later of the following dates:
 - (a) January 1, 2015;
 - (b) the date that this Bylaw is adopted.
- (2) Section 5(e) comes into effect on the date that this Bylaw is adopted.
- (3) This Bylaw, except for sections 5(t) and 6(6), expires and has no effect after the year 2019.
