

Thanks for your interest in our Community Drop In! And sorry for the delay in sharing the June 10th Report Out. It's been a busy time. Here is a list of topics that members of the public who dropped in requested that we discuss. Please also see actions to follow up on, information received back in response to your queries, and the date of the next Drop In. Please note that we've added some new 'after-work' drop in dates. Please pass these along to your friends, neighbours and colleagues who work during the day and may wish to drop in afterwards. Items Mayor Has Followed Up On:

1. Marijuana bylaws are coming to Council on July 28; the bylaws will receive three readings that night and then will be adopted once Council returns from its summer recess on August 25th. At that point, any dispensary that wishes to operate will need to go through a rezoning process.
2. Here's where you can get involved in the Parks Master Planning Process: <http://www.victoria.ca/EN/main/departments/communications/haveyoursay.html> of particular interest for those who attended on June 10th interested in off-leash early mornings in some parks.

The next Community Drop In is **Friday July 8, 11am-1pm**. I've missed our regular time together! I was in Vancouver for the day June 24th and then July 1st was Canada Day.

2016 Drop In schedule is here and notes from previous Drop Ins can be found here as well:
