CITY OF VICTORIA

Strategic Plan

2015 – 2018

(Amended February 2016, January 2017 and January 2018)
Our Goal:

“Victoria is a leading edge capital city that embraces the future and builds on the past, where human well-being and the environment are priorities, where the community feels valued, heard and understood and where City Hall is trusted. Victoria is a city that is liveable, affordable, prosperous and vibrant, where we all work in partnership to create and seize opportunities and get things done.”

Council’s Principles for Strategic Planning

In the planning process we are committed to:

1. Starting with an open heart and an open mind
2. Being honest, frank and respectful in our discussions
3. Participating with active listening and respectful challenging
4. Keeping a sense of humour
5. Believing in the process and the outcome
6. Allowing for differences
7. Strong facilitation
8. Learning from the past
9. Making the process visible
10. Making sure that we’re starting with a blank slate but also with transparency around priorities
11. Engaging the public

In the plan we are committed to:

1. Creating a clear plan with agreed upon purposes
2. Making sure our stated values are clear
3. Making defining, concrete statements
4. Including timelines, measurables, and budgets for all items
5. Making the plan accessible

In implementation we are committed to:

1. Doing what we say
2. Remaining open to new information, new ideas and public input
3. Scheduling quarterly check in updates with Council on strategic plan execution
4. Creating mechanisms to consider emerging issues
5. Aligning our governance structure with our priorities

Objective 1: Innovate and Lead

2015 – 2018 OUTCOMES:

- Council’s governance structure reflects its strategic objectives.
- Staff is organized into cross-departmental project teams with strong project management capacity.
- Organizational culture is collaborative, supportive and empowering.

2015 ACTIONS:

- Be bold.
- To enable bold, innovative leadership, invest in City Hall’s capacity by creating an interdisciplinary project team to support collaborative, holistic planning and execution, and public engagement. This approach introduces new expertise, project management support and capacity for meeting strategic objectives and delivering within Financial Plan.
- Introduce focused advisory committees and task forces to build capacity and include public input within specific projects and timelines. Focus mandate and meeting frequency of broad topical advisory committees.

2015 – 2018 ACTION:

- Support the City Manager in developing an organizational culture of collaboration, continuous learning, and employee empowerment.
Objective 2: Engage and Empower the Community

2015 OUTCOME:
- Improved relationship with nearby First Nations. (Ongoing)

2016 OUTCOMES:

2018 ACTIONS:
• Advocate to the Province that it convene and fund a Citizens Assembly on Amalgamation for all interested municipalities in the Greater Victoria region.
• Work with Saanich and other interested local governments to achieve some form of regional policing in the region.
Process for Amending Strategic Plan

Part One – Emerging Issues and Opportunities

Step 1
At any Committee of the Whole meeting, Councillors interested in amending the Strategic Plan to address an emerging issue or opportunity must bring a motion accompanied by a short report to request a short report from staff on the implications of adding a proposed Action. This report must outline which of the 13 Objectives the new proposed Action will lead to, as well as the Outcome that the new proposed Action is meant to achieve.

Step 2
At the next Quarterly Update staff will provide a brief report to Council outlining what Actions planned for a given year may need to be reconsidered and the implications of doing so.

Step 3
At the same meeting as outlined in Step 2, Committee votes on whether to move forward the new Action and Outcome and what Action or Actions may need to be removed.

Part Two – Emergency Issues and Extraordinary Opportunities

Step 1
At any Committee of the Whole meeting, Councillors interested in amending the Strategic Plan to address an emergency issue or extraordinary opportunity must bring a motion accompanied by a short report to request a short report from staff on the implications of adding a proposed Action. Emergency Issues and Extraordinary Opportunities don’t need to be tied to a specific Strategic Objective, but if they do, this should be indicated clearly, as well as the Outcome that the new proposed Action is meant to achieve. Proposed new actions for Emergency Issues and Extraordinary Opportunities will require a two-thirds majority to pass.

Step 2
One Committee of the Whole meeting later at the most, staff provide a brief report to Council outlining what Actions planned for a given year may need to be reconsidered and the implications of doing so.

Step 3
At the same meeting as outlined in Step 2, Committee votes on whether to move forward the new Action and Outcome and what Action or Actions may need to be removed. If Committee (and Council) supports proposed Actions and Outcomes that fall outside of the 13 Strategic Objectives, a new section will be added to the plan entitled Emergency Issues and Extraordinary Opportunities.
