

Galloping Goose Trail to Reopen Monday

Date: Friday, August 14, 2009

For Immediate Release

VICTORIA, BC — The Galloping Goose Trail between Tye and Esquimalt Roads will reopen to the public on Monday, August 17, 2009, with the exception of the east sidewalk.

Pedestrians and cyclists are asked to exercise caution as a flag person will be directing traffic along the trail until mid-week.

New coloured bike lanes are planned for Harbour Road once development in the area nears completion and final paving is completed. Plantings will occur in the fall.

This section of the trail was closed for six weeks to accommodate construction of new sidewalks and road work on Harbour Road.
