

Johnson Street Bridge Open House

Date: September 14, 2009

For Immediate Release

VICTORIA, BC — The media are invited to join the Mayor of Victoria, City Councillors, and staff representatives at the second of three Open Houses to inform the public and seek their input on the designs for the new Johnson Street Bridge.

WHERE: Victoria City Hall Antechamber

WHEN: Tuesday, September 15, 2009 7 p.m. to 9 p.m.

Open Houses are just one way the public is being asked to participate in determining the design of the replacement bridge. So far there have been more than 6,000 visits to the special website set up to provide information on the bridge replacement project. On line ballots have been filled in by 1,140 visitors, and many hundreds of others at public displays. Mayor Fortin, members of Council and staff are also attending community meetings, shopping centres and public events to provide opportunities for residents to learn more and provide feedback about the designs.

Drawings of the three design concepts, electronic files, and additional background material will be available. At any time, up to date information on the Johnson Street Bridge Replacement Project, can be found at: www.JohnsonStreetBridge.com
