

## Road Work on Point Ellice Bridge Inbound May Cause Delays

Date: Wednesday, October 7, 2009

For Immediate Release

VICTORIA, BC – To accommodate crack sealing repairs on the Point Ellice Bridge, located on Bay Street between Tye Road and Pleasant Street, the bridge lane heading into Victoria will be closed on **Thursday, October 8, 2009 from 7 p.m. to 11 p.m.** Traffic will be reduced to an alternating single lane.

Signs will be posted and traffic control people will be on site to assist with traffic flow. Emergency services and BC Transit have been advised of the work and access will be maintained.

Crack sealing is weather-dependant as the road surface must be dry. In the event of rain, the work will be rescheduled to another date.

Motorists and cyclists are encouraged to use other routes to avoid delays.
