

Point Ellice (Bay Street) Bridge Now Open

Date: Tuesday, January 12, 2010

For Immediate Release

VICTORIA, BC — Work over night to the Point Ellice (Bay Street) Bridge was successful and the bridge opened at 6:00 a.m.

The planned evening bridge closures for the remaining CRD water main work will be adjusted with NO closures scheduled for Tuesday night.

The schedule of evening closures for the rest of the week will be confirmed later today.
