

City Congratulates TELUS on Philanthropy Award

Date: Thursday, February 4, 2010

For Immediate Release

VICTORIA, BC — The City of Victoria is proud to congratulate TELUS on being named the top philanthropic corporation for 2010 by the Association of Fundraising Professionals (AFP).

“TELUS is the first Canadian company to receive this award and have worked very hard to deserve it,” said Mayor Dean Fortin. “Last year they raised \$1.1 million to support charities in the Greater Victoria area – that kind of contribution makes a real difference in our community.”

The AFP will recognize TELUS with the 2010 Freeman Philanthropic Services Award for Outstanding Corporation at an upcoming “Awards for Philanthropy” event in April.

This award honours corporations that demonstrate commitment to philanthropy and community involvement with financial support while encouraging others to take on leadership roles in their communities.

TELUS has contributed \$158 million to charitable and not-for-profit organizations and volunteered more than 3 million hours of service to local communities since 2000.
