

Proposed Plan for Summit Park

Date: Friday, March 26, 2010

For Immediate Release

VICTORIA, BC – Did you know that Summit Park has one of the largest Garry Oak meadows in Victoria and is home to 40 native plant species? Based on community input, the City of Victoria has developed a draft plan to guide future improvements to the park. The plan balances the needs of the community while ensuring the ecological integrity of the park is preserved.

The media and the public are invited to drop by an Open House on Tuesday to comment on display boards that illustrate the proposed new access to Summit Park, its boundaries, new trails and strategies to ensure the protection of the park's natural areas.

What: OPEN HOUSE: Proposed Plan for Summit Park
When: Tuesday, March 30, 2010, from 5 p.m. to 8 p.m.
Where: S.J. Willis Alternative School, 923 Topaz Avenue

Registration is not required. Refreshments will be served.

The public is encouraged to take this opportunity to meet with Parks planning staff, ask questions, and provide feedback on the draft plan.

Participants will also have an opportunity to complete a short survey. For more information, visit www.victoria.ca and click on *What's New?*
