

Presentation of Technical Information on Options for Johnson Street Bridge

Date: Friday, June 11, 2010

For Immediate Release

VICTORIA, BC — As requested by City Council in February, a new engineering analysis and costing of rehabilitation options for the Johnson Street Bridge, updated costs for replacing the bridge, and the economic impacts of potential closures will be presented to a special Governance and Priorities Committee on Monday.

What: Presentation of Technical Information on Options for Johnson Street Bridge
When: Monday, June 14, 2010, 9:30 a.m.
Where: Victoria City Hall, Council Chambers

NOTE TO MEDIA REPRESENTATIVES: Following the presentation to Council, at approximately 1:00 p.m. there will be a Technical Question and Answer session for the media, with engineering consultants and staff.

What: Technical Q&A for Media
When: Monday, June 14, 2010, approximately 1:00 p.m. to 2:00 p.m. (following the presentation to Council)
Where: Victoria City Hall, Committee Room 1, Second Floor

— 30 —
