

Guided Bridge Tours Saturday

Date: Friday, July 16, 2010

For Immediate Release

VICTORIA, BC — Members of the public who pre-registered for a rare opportunity to participate in a guided tour of the Johnson Street Bridge will tour the bridge on Saturday, July 17th.

The tours are an opportunity for residents to learn more from city staff and engineers about the current condition of the bridge, how it works and what is being considered in the two options of replace or rehabilitate.

The technical experts will illustrate how the bridge functions and why major work is necessary on the 86-year old structure.

Due to safety considerations, the bridge tours are for those who have registered in advance.

What: Johnson Street Bridge Tours

When: Saturday, July 17, 2010 beginning at 10 a.m.

Where: Via Rail Station at the east end of the Johnson Street Bridge

Members of the media are invited to attend.
