What’s Your Vision for Oswald Park?

Date: Monday, January 24, 2011 For Immediate Release

VICTORIA, BC — Located in the Oaklands neighbourhood, Oswald Park provides more than one hectare of green space in Victoria. The park currently features an open grass area and trees, a perimeter woodchip walking trail, a dogs’ off-leash area, and a playground with benches and a picnic table. This year, the City of Victoria will upgrade Oswald Park to better meet the needs of the community.

The public and media are invited to attend a meeting tomorrow evening to share their vision for Oswald Park and what they would like to see improved.

What: PUBLIC MEETING – Help Us Improve Oswald Park
When: Tuesday, January 25, 2011, from 6:30 p.m. to 8:30 p.m.
Where: Oaklands Community Centre, Community Room, 1 - 2827 Belmont Avenue

Registration is not required. Refreshments will be served.

The community is invited to review displays, attend a presentation by City Parks planners, ask questions and suggest park improvements. Participants will have the opportunity to complete a short survey.

Information panels and the survey will be available on the City of Victoria website and at the Parks office in Beacon Hill Park from Wednesday, January 26 to Friday, February 4, 2011. To arrange an appointment, call 250.361.0600 or email parks@victoria.ca

Based on input received from the community, Parks staff will develop a plan that will be presented to the neighbourhood for feedback at a public meeting in early spring.

Oswald Park is one of several Victoria parks being upgraded in 2011. For more information, visit: www.victoria.ca and click on What’s New?
