Provide Input on Proposed Improvements for Oswald Park

Date: Wednesday, March 2, 2011

VICTORIA, BC — Located in the Oaklands neighbourhood, Oswald Park provides more than one hectare of green space in Victoria. Based on community input, the City of Victoria has developed draft concepts to guide improvements to the park.

Join us at a meeting in the community to learn more and provide feedback on Thursday, March 10, 2011 from 6:30 p.m. to 8:30 p.m. at the Oaklands Community Centre, Community Room, 1 - 2827 Belmont Avenue. Registration is not required. Refreshments will be served.

Take the opportunity to view displays, attend a presentation by City Parks planners, ask questions and provide input. Participants will be invited to complete a short survey.

Information panels and the survey will be available on the City of Victoria website and at the Parks office in Beacon Hill Park from Friday, March 11 to Friday, March 25, 2011. To arrange an appointment, call 250.361.0600 or email parks@victoria.ca
