WANTED: Children to Help Us Improve
Cook Street Playground in Beacon Hill Park

Date: Friday, January 6, 2012 For Immediate Release

VICTORIA, BC — Children -- bring your parents to an open house to learn more and “show and tell” us what type of equipment you’d like to see included in the Cook Street Playground in Beacon Hill Park. Close to one hectare in size, the playground is located between Cook Street and Nursery Road, across from the Victoria Lawn Bowling Club. This year, the City of Victoria will upgrade the aging playground equipment to meet national safety standards and to better meet the needs of the community.

Join us at an open house on Wednesday, January 18, 2012 from 4 p.m. to 8 p.m. at the Victoria Lawn Bowling Club (located off Nursery Road in Beacon Hill Park). Registration is not required. Refreshments will be served.

Parents and children, take the opportunity to view displays and place stickers next to your favourite play equipment; draw your vision for the play area; meet Parks planners and ask questions; suggest park improvements for the enjoyment of the community, and complete a short survey.

Your input will help inform an illustrated concept that will be presented to the community for feedback at an open house in late February. The playground improvements are expected to be underway this fall and help celebrate Victoria’s 150th anniversary.
