Festive Poinsettias on Display at Beacon Hill Park Nursery

Date: Tuesday, November 27, 2012 For Immediate Release

VICTORIA, BC – Each year, City Parks staff grow close to 800 poinsettia plants from cuttings in the Beacon Hill Park nursery. These festive annuals come in various shades of red, pink and white. The plants will soon find a new home at local community centres, the Victoria Conference Centre, and at City Hall, and will be used to create the annual “poinsettia tree” in the City Hall Antechamber.

PHOTO OPPORTUNITY

What: Poinsettias at Beacon Hill Park Nursery
When: Wednesday, November 28, 2012 from 10 a.m. - noon
Where: Beacon Hill Park Nursery, located at the end of Nursery Road

Media are invited to witness this brilliant burst of holiday colour on display at the Beacon Hill Park nursery before the plants are loaded up and distributed to civic facilities. Dagmar McCord, Assistant Supervisor of Ornamental Horticulture, will be available for interviews.
