

## Statement from Mayor Helps on Today's Affordable Housing Announcement by the Province of BC

Date: Tuesday, November 13, 2018

For Immediate Release

---

VICTORIA, BC — "This investment by the Province is thrilling. We are happy to collaborate and partner with housing providers and the school district and to put forward city-owned land to make some of these buildings a reality. We look forward to continued partnership building going forward to continue to make Victoria affordable and address the housing crisis."

- Lisa Helps, Mayor of Victoria

Mayor Helps will be available for media interviews at 3 p.m. today at City Hall. Meet in the foyer.
