

Statement from Mayor Helps on Today's Ride Hailing Legislation Announcement by the Province of BC

Date: Monday, November 19, 2018

For Immediate Release

"I commend the Province of BC for moving forward with ride hailing legislation that will support the modernization of the taxi industry, while creating opportunities for ride hailing companies. The legislation aligns with City Council's priorities and will result in more transportation options that are both safe, flexible and convenient for people."
