

Calling all Musicians and Community Programmers

Date: Thursday, December 6, 2018

For Immediate Release

VICTORIA, BC — Each summer, the City of Victoria offers free outdoor concerts and activities at Centennial Square and Beacon Hill Park for the community to enjoy. The City is updating its rosters of pre-qualified, local musicians and community programmers to activate these venues from June to September, as well as at other City-programmed events throughout the year.

To be considered for these rosters, local musicians and community programmers are invited to apply online and provide links to samples of their work by midnight on Sunday, January 20, 2019. Preference will be given to those based in the Capital Region.

Musician roster submissions will be assessed on the musician's/band's broad appeal, technical expertise and talent, and will be reviewed by a team of City of Victoria staff and local music professionals.

Community programmer roster submissions will be assessed on the quality and creativity of the activity proposed, and the applicant's track record in delivering similar, successful programs to the community.

Selected applicants will be contacted in early March 2019. Roster applications are accepted on an ongoing basis, however, the selection process takes place once a year. Late applications will be considered for 2020.
