

Bastion Square Parkade Elevator Out of Service for Improvements September 3 - December 3

Date: Friday, August 30, 2019

For Immediate Release

VICTORIA, BC – The Bastion Square Parkade elevator will be out of service for improvements from September 3 to December 3 to accommodate the installation of a modernized elevator cab and new mechanical systems.

The parkade's two stairwells will remain open at all times. A free EV-shuttle service will be available Monday - Saturday from 8 a.m. - 6 p.m. for those who have difficulty with stairs. Once parked, customers are asked to wait at the elevator stairwell for the shuttle to arrive. Signs will be posted.

Alternate parking with elevator service is available at the City's four other parkades: Johnson Street Parkade (750 Johnson Street); Centennial Square Parkade (645 Fisgard Street); View Street Parkade (743 View Street); and Broughton Street Parkade (745 Broughton Street below the Central Library).

The City of Victoria is committed to improving the parking experience downtown. We appreciate your patience while we make these service upgrades.
