Victoria-based musician, songwriter/recording artist and recording studio owner Kathryn Calder, was recently announced as the City’s Artist in Residence in 2019. The Artist in Residence program aims to ‘keep art in mind’, providing the opportunity for a professional artist to work collaboratively with City staff and the community to identify and develop a creative artwork/project to augment one or more capital projects annually over a two-year term.

Calder’s professional experience in Victoria’s music industry is well-aligned with the City’s Create Victoria Arts and Culture Master Plan, which identifies the need to build on Victoria’s diverse and active music scene by positioning Victoria as a “Music City.”
