

Calling All Musicians & Community Programmers

Date: Friday, December 13, 2019

For Immediate Release

VICTORIA, BC — The City is updating its rosters of pre-qualified, local musicians and community programmers to offer outdoor concerts, events and activities at Centennial Square and Beacon Hill Park for the community to enjoy.

To be considered for these rosters, local musicians and community programmers are invited to apply online and provide links to samples of their work by 11:59 p.m. on Wednesday, January 15, 2020. Preference will be given to those based in the Capital Region.

Musician roster submissions will be assessed on the musician's/band's broad appeal, technical expertise and talent, and will be reviewed by a team of City of Victoria staff and local music professionals.

Community programmer roster submissions will be assessed on the quality and creativity of the activity proposed, and the applicant's track record in delivering similar, successful programs to the community.

Successful applicants will be contacted in early March 2020. Roster applications are accepted on an ongoing basis; however, the selection process takes place once a year. Late applications will be considered for 2021.
