

# Neighbourhood Park Improvements

## Pioneer Square

Complete the implementation of Pioneer Square Management Plan.

## Beacon Hill Park

Develop a long-term plan to guide improvements for Beacon Hill Park to further animate the park, encourage broader use. Protect and restore natural areas. Maintain horticultural areas.

*Consider community orchards in parks and open space, where residents and community partners express interest in stewardship agreements.*

*Look for opportunities to add park features that encourage neighbourhood gathering.*

*Encourage animation of parks through public art, placemaking projects and special events. Explore limited commercial activities.*

## Robert J. Porter

Develop park improvement plan to address playground upgrades, improved trail connections and other features.

## Moss Rocks Parks

Assess feasibility of new trail connections. Restore natural areas of the park. Encourage adjacent property owners to protect natural areas.

## Ross Bay Waterfront

Consider additional seating and improved access to the beach and causeway.

## Waterfront Parks

Develop a long-term plan to guide future improvements to waterfront park areas to improve the visitor experience, restore coastal bluffs, protect wildlife habitat, and respect the culturally significant landscape.
