

# Neighbour Hub Design Templates

Each design incorporates unique elements selected during community engagement and are wheelchair-accessible, offer sizeable storage for emergency supplies, planter boxes, covered seating, community bulletin boards, solar-powered lights and charging stations.

## Hive

Drawing inspiration from the symmetry of a beehive, the **HIVE** will be buzzing with opportunities to connect with your neighbours. The **HIVE** offers varying seating options – from individual seating with comfortable side tables to large group seating for afternoon picnics. Stay rain or shine with an arched-shaped roof. Surrounded by four hive-shaped planter boxes, you'll feel among the pollinators! **HIVE** includes solar-powered lights and a charging station, plenty of storage for emergency supplies and a community bulletin board for you to share what's buzzing.

- 2 Charging Station
- 3 Bulletin Board
- 4 Emergency Supply Storage
- 5 Large table
- 6 Small Table
- 7 Large Planter
- 8 Small Planter

## Jewel

Glistening with the promise of days lounging in the sun is the **JEWEL** design. Incorporating a mix of two comfortable lounge chairs, open concept seating and shade-covered tables, the **JEWEL** design brings together comfort and sociability. From kid-friendly stepping stools for watering two integrated planters, dedicated storage for emergency supplies, space for a community-bulletin board, solar-powered lights and a charging station – the **JEWEL** is more than a bench, it is a community space designed to spark conversation.

## Fern

Grow your connections with your community by spending some time at the **FERN**. The **FERN** design resembles the triangular edges of the classic west coast ferns, offering seating at varying levels, comfortable lounging and covered table seating. This design offers a storage unit for community sharing, two integrated planters, emergency supply storage, a community bulletin board, solar-powered lights and a charging station. The **FERN** will be the perfect environment to flourish resilience in your community!
