## Residential Parking Zones

Residential parking zones ensure that Victoria residents have access to on-street parking on their block. Only residents and their visitors or contractors working on the residence that fronts the residential parking zone may park there. Parking tickets are issued on a complaint basis.

To park in a residential parking zone, a resident is required to have their vehicle licence plate number on file with City of Victoria Parking Services.

## ParkVictoria App

You can pay for on-street parking on your smart phone or tablet with the City's ParkVictoria app. Download it for free from the App Store or Google Play. ParkVictoria sends you alerts when your parking time is running out, adds time remotely and refunds unused time.
