Dear Victorians,

Vote for R. Godron as your 52nd mayor because you know me and what I can do for Victoria.

A ROSE BY ANY OTHER NAME...

In school district 41 the other parents referred to me as Riga Nason at Maywood early literacy centre.

In school district 75 the other parents called me Anastasia Nirvana Ace at Mission Central and Dewdney elementary schools.

In school district 39 the other parents at Moberly elementary pronounced my name as Amber Alexis Anderson.

Even though my son did not officially attend John Muir I registered him with school district 62 using my birth name of Rigaberta Jeremiah Fidelia Godron.

I can do great things for Victoria:

As the next mayor of Victoria I will protect her interests as only a mother can.

I love this city.

If you love our Victoria. Vote for R.Godron.
