What’s in it for me?

I am a Resident...

- Creating inclusive and collaborative community arts and creative-placemaking participation activities.
- Introducing creative tool libraries into neighbourhoods or a designated centralized location.
- Identifying opportunities for enhancing arts education with School District 61.
- Where possible, identifying opportunities for interpreting and sharing Victoria’s heritage, in all its forms.
- Animating the interpretation and awareness of public art and intangible cultural assets through tours, workshops, storytelling and other engagement pieces.
- Prioritizing opportunities for family arts and festivals and events programming, and where possible, working with venues to mitigate barriers for family arts experiences.
- Using art as a tool for community wellness and for opening up opportunities for marginalized communities through inclusive initiatives (such as access to tickets) with identified partners.
- Providing opportunities for the public to learn about Reconciliation and the shared history of Indigenous Peoples and all Canadians through inclusive dialogue, celebration and performance, as well as creative placemaking installations.

Vision:

*Victoria radiates creativity and thrives as a home to creative people and everyday artistic encounters.*
