Welcome to CityVibe 2019, your guide to events and activities happening around our beautiful city, located on the homelands of the Songhees and Esquimalt People.

As the warm weather reminds us to slow down and to enjoy friends, family and community, I hope you will take some time to experience the magic Victoria’s summer line-up has to offer. You will find a lively, fun city where great value has been placed on arts, culture and well-being. I am also certain you will see why we’ve been named one of the friendliest cities in the world!

The City is incredibly proud to be part of this vibrant community, supporting many of the events that help us achieve our vision: to be a bold, thriving, inclusive, and happy city that people love.

From markets to music, hands-on learning, great food and performances, it is all happening around Victoria this year. Let CityVibe help you navigate the many festivals and free outdoor performances that make our city so unique.

I look forward to connecting with you at one of these great community events.

Sincerely,

Lisa Helps
