Drop-In Swim Descriptions

50M Lengths – Swimmers should choose the lane that best fits their needs and be prepared to adjust based on lifeguard direction. If clubs are listed in the same time block, length swimmers should be prepared for reduced lane availability.

25M Lengths – Swimmers should choose the lane that best fits their needs and be prepared to adjust based on lifeguard direction. If clubs are listed in the same time block, length swimmers should be prepared for reduced lane availability.

Adult Leisure (16+) – Space is open in the main pool for adults (16+ years) to do independent leisure activities (water walking, therapy, gentle exercises, etc.).

Parent & Tot – The warm pools are set aside for adults with children 0-5 years old. Each adult may bring up to three children per visit. Remember, children must be within arms' reach. Warm pools are not available during times highlighted in red on the pool schedule.

Family & Youth Swim – This is a great opportunity for the family to get together and enjoy the pool! Diving boards are not available during this time but there is lots of pool space to play. Children under age 12 must be accompanied by a responsible adult (16+ years). Remember, children under age seven must be within arms' reach. Warm pools are not available during times highlighted in red on the pool schedule.

Quiet Swim - During this time, the warm pools are closed and the main pool and hot tub are open for length swimming and adult leisure (water walking, therapy exercises, etc.). This music-free time is calm and enjoyable for those with noise sensitivity, brain injury or other neurological conditions and is ideal for those wanting to avoid busy pool times.

Everyone Welcome Swim – There's something for everyone during this swim. Ride the waterslide, relax in the hot tub, play in the warm pools, or leap off the diving boards. Remember, children under age seven must be within arms' reach of a responsible adult (16+ years). Two lanes are also available for length swimming. The WIBIT inflatable obstacle course is in the water Wednesdays 1-3 p.m. during the summer! Please note availability is staff dependent.

Lessons – Swim Lessons and programs occupy the majority of the pool space at these times. Children can swim during their programmed time only. Family Swimming is not available during lessons.

Drop-In Aquafit

Shallow Aquafit – A cardio and strength workout that is low impact and customizable for all fitness levels.

Deep Aquafit – A deep water, zero impact workout using a flotation belt.

Aqualite – A gentler aquafit class that focuses on flexibility, range of motion, and stability while increasing fitness.

Cardio Blast Aquafit – A more challenging class that focuses on high energy cardio moves and strength work.
