Drop-In Swim Descriptions

50M Lengths – Swimmers share with up to eight people in a single lane and up to 16 people in a double lane. Swimmers should choose the lane that best fits their needs and be prepared to adjust based on lifeguard direction. If clubs are listed in the same time block, length swimmers should be prepared for reduced lane availability.

25M Lengths – Swimmers share with up to four people in a single lane and up to eight people in a double lane. Swimmers should choose the lane that best fits their needs and be prepared to adjust based on lifeguard direction. If clubs are listed in the same time block, length swimmers should be prepared for reduced lane availability.

Adult Leisure (16+) – Space is open in the main pool for adults (16+ years) to do independent leisure activities (water walking, therapy, gentle exercises, etc.).*

Parent & Tot – The warm pools are set aside for adults with children 0-5 years old. Each adult may bring up to three children per visit. Remember, children must be within arms' reach. Warm pools are not available during times highlighted in red on the pool schedule.

Family & Youth Swim – This is a great opportunity for the family to get together and enjoy the pool! Diving boards are not available during this time but there is lots of pool space to play. Children under age 12 must be accompanied by a responsible adult (16+ years). Remember, children under age seven must be within arms' reach. Warm pools are not available during times highlighted in red on the pool schedule.

* Due to Island Health requirements, the sauna and steam room are closed, but the hot tub is open.

Everyone Welcome Swim – There's something for everyone during this swim. Ride the waterslide, relax in the hot tub, play in the warm pools, or leap off the diving boards. Children under age eight must be accompanied by a responsible adult (16+ years). Remember, children under age seven must be within arms' reach. Two lanes are also available for length swimming.

Drop-In Aquafit

Shallow Aquafit – A cardio and strength workout that is low impact and customizable for all fitness levels.

Deep Aquafit – A deep water, zero impact workout using a flotation belt.

Aqualite – A gentler aquafit class that focuses on flexibility, range of motion, and stability while increasing fitness.

Cardio Blast Aquafit – A more challenging class that focuses on high energy cardio moves and strength work.
