Private Skating Lessons

Private lessons help beginner skaters get ready to join group lessons or accelerate their own learning and master that one challenging skill. Our instructors will work from the Learn to Skate Program or address specific skills as needed. Choose a set of lessons or book individual lessons.

P = Private (One Skater) SP = Semi-Private (Two Skaters)

PARENT AND TOT (2-4 years)

First time skaters will get comfortable on the ice with an adult who is comfortable on skates. Adults will be given tools and skills to assist their child in accomplishing skating basics. Skills worked on are: balancing on two feet, touching toes, marching, falling down and getting up. Adults and children must wear skates and CSA helmets.

PRESCHOOL SKATING (3-5 years)

Level 1 – Build confidence while having fun on the ice. Lessons include balancing on two feet, touching toes, walking forward, marching, falling down and getting up.

Level 2 – For children who can skate independently. Lesson include gliding, two foot jumps, making snow and walking backward. Prerequisite Level 1.

Level 3 – Lessons include v-pushes, one foot gliding, two foot jump while gliding, walking backward with some glide, two foot quarter-turns on the spot and stopping. Prerequisite Level 2.

Level 4 – Lessons include two-foot glides on a curve, walking cross cuts, backward sculling and backward stopping. Prerequisite Level 3.

SCHOOL-AGE SKATING (6-12 years)

Skate 1 – For children that do not have a lot of skating experience. Lessons include forward gliding, marching forward, making snow, falling down and getting up, and walking backward.

Skate 2 – For children who can skate independently. Lessons include forward sculling, one foot forward glides, stopping, walking backward with some glide, and two foot half turns on the spot. Prerequisite Level 1 or Preschool Level 3.

Skate 3 – Lessons include one foot glides on a curve, forward walking cross cuts, backwards skating and sculling, two foot backwards glide to one foot and snowplow stop. Prerequisite Level 2 or Preschool Level 4.

Skate 4 – Lessons include two foot stop, forward crosscuts, turning forward to backwards and backwards to forward, and two foot jump in a glide backward. Prerequisite Level 3.

Skate 5 – Children will learn skills including: backward C-step turn, two foot stop in both directions, one foot jump gliding forward, fast backward start and fast forward start from back stop. Prerequisite Level 4.

Skate 6 – An introduction to advanced skating skills while continuing to enhance earlier skills. Participants can request specific skills to focus on with unstructured practice time with instructor supervision. Prerequisite Level 5.
