

City of Victoria Summer Camps

(Ages 5 – 14 Years)

Summer Camps Registration Update

The City of Victoria is actively planning new outdoor summer camps at Royal Athletic Park in place of camps at the Crystal Pool and Fitness Centre, some of which have been cancelled. Our camp programs will look a bit different this summer. The new park-based camps are available for registration starting June 12 along with many specialty camps.

Royal Athletic Park is a multi-purpose stadium with natural grass where camps can be spread out to ensure compliance with public health requirements such as physical distancing. Adaptations have been made to normal operations, including:

- Enhanced COVID-19 summer camp policies and procedures have been implemented
- All camps will be offered entirely outdoors
- Group sizes have been reduced
- Camp days have been extended to 7.5 hours (no extended care offerings)
- Out trips have been reduced to walkable outdoor sites
- No swimming activities

The safety of our patrons, their families and our staff is our top priority, and we are committed to offering a fun summer camp experience. These camps have been developed following guidelines and protocols issued by the Provincial Health Authority, Island Health, WorkSafeBC and the BC Recreation and Parks Association.
