APPLICATION CHECKLIST

Interior Alterations, Change of Use

All of the following information is necessary to facilitate a thorough evaluation and timely decision on your application. To expedite the evaluation, all materials submitted must be clear, legible and precise. To achieve this level of customer service, only complete applications that include plans prepared to professional drafting standards will be accepted. Plans/drawings stamped with “not for permit”, “not for permit application”, or similarly identified as not being suitable for the purpose of Building Permit application are not acceptable.

Applications require a pre-screening check prior to formal acceptance. Plans that fail to meet the pre-screening standards will not be accepted and will require amendments and resubmission.
