Please find enclosed the records responsive to your request. They are being provided to you in their entirety. You will note that some of the drawings have date stamps prior to June 30, 2013. These drawings have been provided as they incorporate changes made after June 30, 2013. Examples include:

- Page 26 corresponds to page 40 in the same responsive records

Also, for completeness, some drawings are duplicates but have been provided anyway as an alternative to a detailed review of them against previously provided drawings. An example is page 31 is the same as page 73 of 2013-09-19.
