Alexander Park Playground Open House is Today

Date: Wednesday, February 19, 2014

For Immediate Release

VICTORIA, BC — This afternoon, children and their parents are invited to drop by an open house to “show and tell” City Parks planners the type of play equipment they would like to see at Alexander Park. This year, the City of Victoria will upgrade the aging playground to meet national safety standards and to better meet the needs of the community.

Parents and children will have the opportunity to view displays and place stickers next to their favourite play equipment, draw their vision for the play area, meet Parks planners and complete a short survey.

What: OPEN HOUSE: Upgrades to Alexander Park Playground
When: Wednesday, February 19, 2014, from 3 p.m. – 7 p.m.
Where: Fernwood Community Centre, Multipurpose Room, 1240 Gladstone Avenue

Registration is not required. Complimentary refreshments will be served. On-street parking is available.

Information panels and the online survey are available on the City of Victoria website. Surveys can be submitted up to March 31, 2014 online, by fax to 250.361.0615, or by mail to City of Victoria Parks Division, #1 Centennial Square, Victoria, BC V8W 1P6. To make an appointment to view the panels in person at the City Parks office in Beacon Hill Park, call 250.361.0600.

Community input will help inform the playground improvements that are expected to be completed this summer. Alexander Park playground is located on Bay Street, between Fernwood Road and Oregon Avenue. For more information, visit: www.victoria.ca
