

MEET THE FLEET

Your favourite City fleet vehicles now as trading cards!

Blackberry bushes are no match for the Torpedo! With its powerful mower and four-wheel drive, the Battery Electric Lawn Mower is outstanding on steep slopes and in rough, overgrown terrain.

DID YOU KNOW?

This remote-controlled device is under two feet tall, making it easy to mow under benches, trees and other obstacles that are out of reach for a standard mower.

Battery Electric Lawn Mower STATS

MAKE	Raymo Torpedo - R48 CRAFT Deck
TEAM	Park Operations
YEARS PRO	1
WEIGHT	237 kg

1

The first of its kind, this electric truck is used to haul Victoria's garbage, organics and garden waste to regional collection centres.

DID YOU KNOW?

This electric powerhouse can haul up to 26,000 kg - almost twice its weight!

Heavy-Duty Electric Truck STATS

MAKE	Peterbilt 579 EV
TEAM	Solid Waste and Recycling
YEARS PRO	Rookie
WEIGHT	13,350 kg

2

This newest addition to the firefighting fleet is an agile and climate-friendly emergency response vehicle with enhanced features and safety for Victoria's firefighters.

DID YOU KNOW?

An onboard energy backup system automatically engages when the fire truck's battery drops below 20 per cent during an extended firefighting response, ensuring no break in service.

Electric Fire Truck STATS

MAKE	Rosenbauer RTX
TEAM	Fire
YEARS PRO	1
WEIGHT	17,600 kg

3

Specially modified for different crews, this powerful pick-up truck helps with everything from painting road lines to fighting fires.

DID YOU KNOW?

This fleet member can cover up to 386 kilometres in a single charge - that's enough to drive from our Public Works yard to Beacon Hill Park over 100 times!

Electric Pick-up Truck STATS

MAKE	Ford F-150 Lightning Pro EV
TEAM	Floater (used by almost all City departments!)
YEARS PRO	2
WEIGHT	2,728 kg

4

Have you ever poured melted chocolate into a mold and watched it set in place? The Curb Machine does that on our streets, pouring concrete curbs and gutters of all shapes and sizes to keep vehicles on the road and guide rainwater.

DID YOU KNOW?

This machine only has two speeds: turtle and rabbit!

Curb Machine STATS

MAKE	Power Curb 5700-D
TEAM	Sidewalks and Concrete
YEARS PRO	4
WEIGHT	12,020 kg
