

Feet on the Street

The City of Victoria's Feet on the Street program provides Bylaw Officers the opportunity to engage with the business community to proactively enforce bylaws relating to nuisance activities.

Feet on the Street is part of the City's OUR DWTN revitalization program, which invests in the downtown core and focuses on enhanced safety, beautification and cleaning, alongside programming and public space activations.

OUR DWTN is designed to give everyone a safe and enjoyable experience when visiting our city centre.
