

PURPOSE

The purpose of the Festival Investment Grant program is to provide support to festivals and celebrations in the City of Victoria.

The City of Victoria recognizes that local, regional, national and international events of all types have an important role to play in contributing to the economic, social and cultural life of all residents. Community-based festivals and celebrations reflect the vibrant, distinct and diverse character of Victoria. The Festival Investment Grant program is designed to provide cash and in-kind support to non-profit organizations producing festivals and celebrations that will deliver significant social and economic impact, vitality and vibrancy within the City of Victoria, particularly the downtown core.

The program is comprised of five funding streams. Please contact the City grant administrator for more information regarding the appropriate funding stream.

- **Community Celebration Grants**
The purpose of this funding stream is to assist community celebrations with the production of one-day celebratory events within the City of Victoria. These events are often run and organized by volunteer non-profit boards and involve a broad base of support from the local community.
- **New Festival Grants**
The purpose of the New Festival Grant stream is to provide support to new multi-day events in their first year of production and stability through the developmental years (2 – 5 years). Applicants are required to provide evidence of diversified revenue streams, audience identification, a marketing plan and a detailed budget and articulate the expected impacts of the new festival.
- **Established Festival Grants**
The purpose is to provide financial assistance to established festivals to produce a multi-day event in the City of Victoria. Applicants must have a demonstrated consistent track record of achievement for a five-year period. Organizations must have a solid organizational structure, long-term financial stability and an artistically produced program.
- **Signature Festival Grants**
The purpose of the Signature Festival Grant stream is to showcase the City as a great place to live, work, play, and do business. The term “Signature Festival” is used to describe a noteworthy event that is free and open to the public, and which generates 15,000 + visitors each day. Festivals and events that create jobs, attract tourists, stimulate local economies and provide entertaining activities for citizens across the Capital Region would be suitable applicants to this funding stream.

CONDITIONS OF ASSISTANCE

Grant funds must be applied to current expenses associated with the approved project, and not used to subsidize any other project of the applicant, or to reduce or eliminate accumulated deficits. The City must be notified in writing of any significant changes to the funded event scale and or purpose. If the project is not completed; the City of Victoria reserves the right to request the return of the grant.

As a condition of funding, the support of the City of Victoria must be acknowledged on promotional materials related to funded activities, including brochures, print ads, programs, posters, signage and media releases

as well as websites, e-newsletters, and social media campaigns. City of Victoria logo files and usage standards will be provided to successful applicants. The City of Victoria reserves the right to an onsite presence, or formal role, at signature events. Failure to acknowledge the City's support may result in the inability of an organization to obtain grant support in future years.

The term of the grant is one year, and previously funded projects must be completed before a new application can be approved. Receipt of a grant does not guarantee funding the following or any subsequent year. The successful applicant agrees that the City shall not be liable for any incidental, indirect, special or consequential damages, injury or any loss of use, revenue or profit of the Society arising out of or in any way related to the program.

REPORTING

The applicant must submit a final report which includes a brief description of the event; event evaluation; a financial statement of actual revenue and expenses; copies of print material (ads, programs etc.) which acknowledge the financial support from the City; attendance figures; number of participants in the event (volunteers and audience) and a description of the economic impact on the City of Victoria, (number of visitors, room nights, etc.) Report forms will be provided to all successful applicants.
