

Parking – What You Need to Know

The City of Victoria operates five parkades, three surface parking lots and has nearly 2,000 on-street spaces to choose from. We also oversee residential parking zones.

City of Victoria Parkades

City parkades are open 24 hours, offer 24/7 on-site security and are conveniently located within two blocks of all downtown attractions. While some daily parking can be accommodated, City parkades are primarily for short-term parking for shoppers and visitors. (SEE MAP ON THE REVERSE.)

ParkVictoria App

You can pay for on-street and parkade parking on your smart phone or tablet with the City's *ParkVictoria* app. Download it for free from the App Store or Google

Play. *ParkVictoria* sends you alerts when your parking time is running out, adds time remotely and refunds unused time.

Residential Parking Zones

Residential parking zones ensure that Victoria residents have access to on-street parking on their block. Only residents and their visitors or contractors working on the residence that fronts the residential parking zone may park there. Parking tickets are issued on a complaint basis.

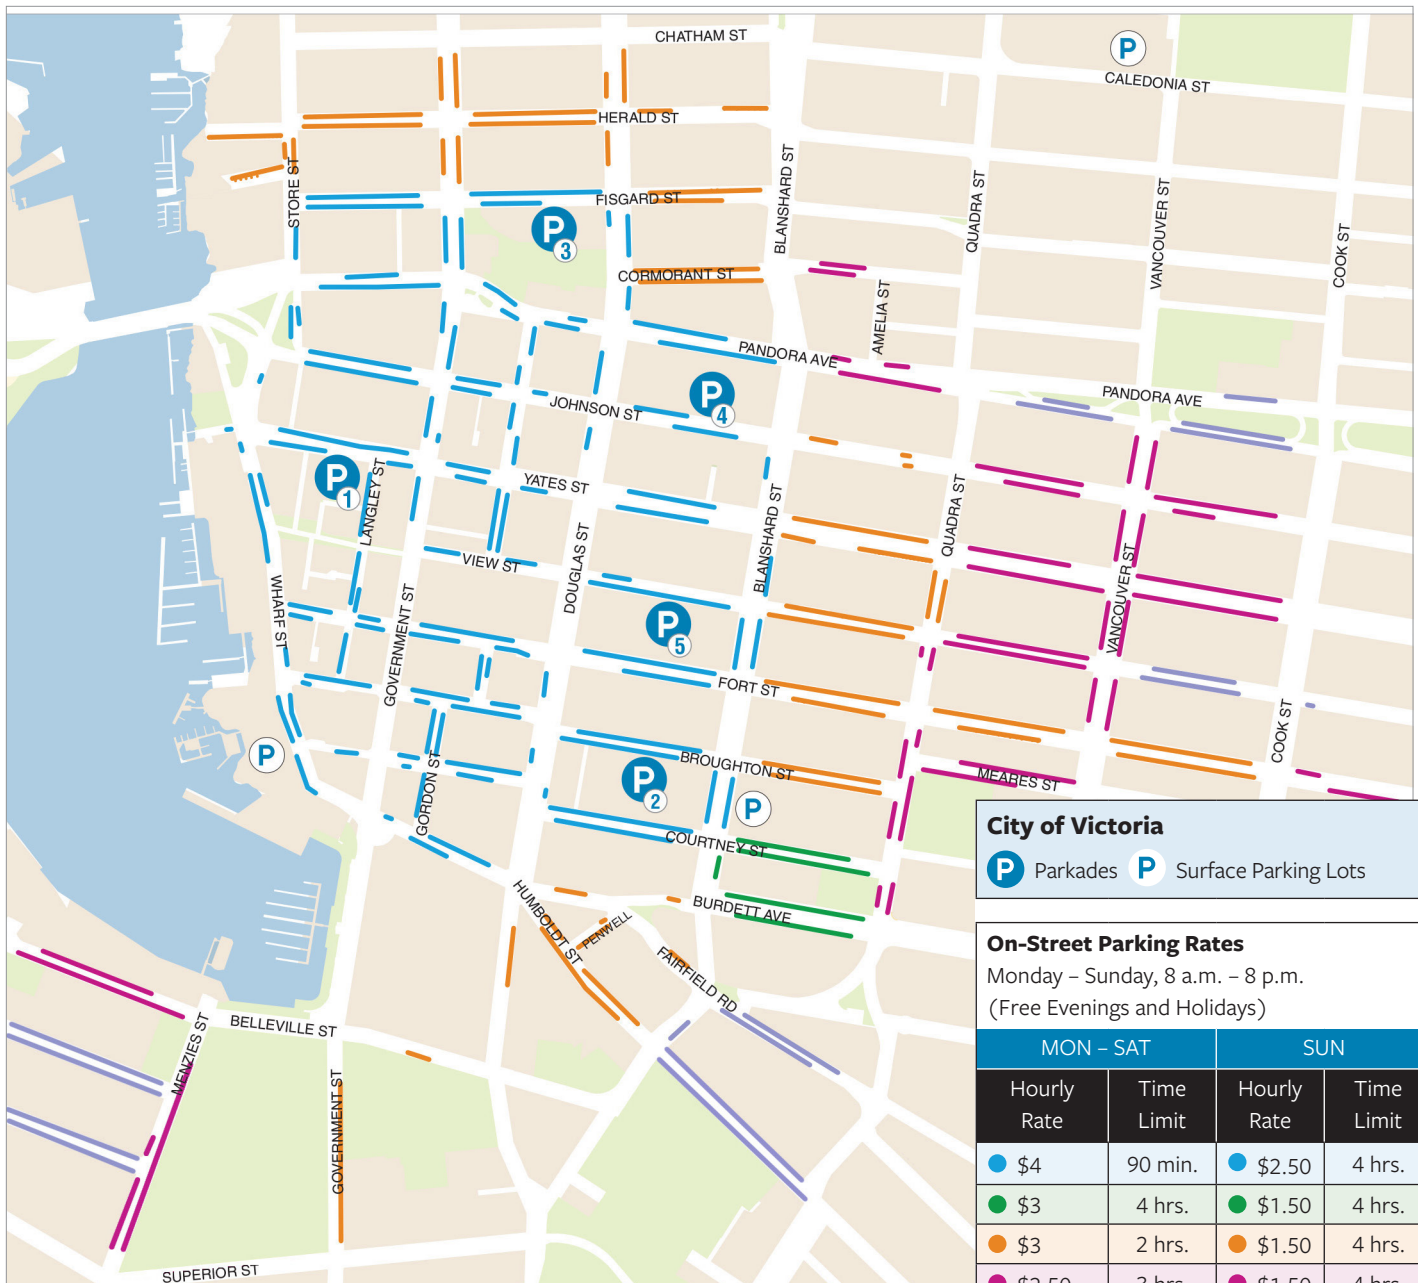

To park in a residential parking zone, a resident is required to have their vehicle licence plate number on file with City of Victoria Parking Services.
