

What parents said last summer:

“Super impressed with your leaders! My kids have attended these camps for the last two years and in each camp they had different leaders, but they are always the same - engaged, friendly, professional, fun and kind.”

“This has been our third summer signing our daughter up for various camps and we cannot thank you enough for the excellent, fun, safe and educational camps that you have provided for her.”

“It was my child’s first summer camp. We are new in this country. I was so nervous for him at first but I am so thankful to all the leaders and volunteers for making my child feel so welcome, adored and safe.”

“Our daughter was so excited to participate this summer. She came home thrilled with all the amazing activities that were planned. We’re happy she built so many childhood memories with camp this year.”
